

Hard Floor RejuvenatorPlus

Lacquer protection for matte finish
timber floors

Product Description

SelectCare+ RejuvenatorPlus is a universal maintenance product providing a protective layer for all matte finish timber floors (excluding bamboo, oil finished, cork, laminate, hybrid and vinyl floors).

SelectCare+ RejuvenatorPlus is designed to provide a protective coating after deep cleaning your floors with our SelectCare+ Rejuvenator. This two-step process will maintain the original look of the floor without the expense of sanding or buffing.

For Periodic Maintenance (to be used annually or every 6 months, depending on traffic). Only to be used after use of our SelectCare+ Rejuvenator.

No dilution required with this product.

The user must test the application of the product in the applicable conditions. A guarantee cannot be derived out the text of this technical description.

Hard Floor Rejuvenator*Plus*

Lacquer protection for matte finish timber floors

User Instructions

Before Usage:

- **Always shake the bottle first before usage.**
- **Spot test prior to application, and ensure the coating is intact before proceeding cleaning with the whole area.**

Remove the child-safe cap and replace it with the flip-top cap (only applicable for the 1L Rejuvenator*Plus* bottle).

- Newly Installed Floors
 - Before using Rejuvenator*Plus*, ensure the floor is clean and dust-free by using our SelectCare+ Dust Cleaning Pad, Spray Mop, and Hard Floor Cleaner.
- Existing Floors
 - Before using SelectCare+ Rejuvenator*Plus*, ensure the floor is fully cleaned using our SelectCare+ Rejuvenator.
 - Once the surface is completely dried, squirt the Rejuvenator*Plus* evenly onto the floor and mop in the direction of the wood grain using a low profile microfiber applicator. If necessary, a second coat can be applied after 1 hour of drying time. This process completes and restores the floor's coating.

Drying Time

Approx. 120 mins drying time to be able to walk on surface and 24 hours before moving furniture or rugs. Both drying times must be at room temperature.

Consumption

Approximately 60-80 m²/litre.

After Treatment

For the regular maintenance of floors treated with SelectCare+ Rejuvenator*Plus*, continue to use our SelectCare+ Hard Floor Cleaner as your regular floor cleaner.

Special Information

After use, clean tools with water. Do not mix with other cleaning products.

Manufactured in Belgium. Packed in Australia for Australian Select Timbers.
