Simply beautiful flooring

AURORA

EUROPEAN OAK

# Bringing beauty and warmth to your home

Perfect for giving your home a welcoming and comfortable feel, the Aurora Oak Flooring range from Australian Select Timbers proves good design can be simple.

The subtle natural variations in the grain of European Oak shines in the Aurora Oak Flooring range. Thanks to this remarkable collection, you are now able to create a classic look for your home with ease.

With 10 beautiful colours to choose from, you can transform your rooms into warm, inviting spaces for you and your family to relax in and enjoy for years to come.

## Aurora features

- ✓ UV Lacquer
- ✓ Matte Finish
- ✓ Wire Brushed Surface
- ✓ Classic Timber Grade\*
- ✓ Direct Stick/Floating Installation

\*This Classic grade of timber is the most common standard and widely used timber in the wood flooring industry. Oak is a natural product, colour and grain will vary while some knots are to be expected. Timber flooring is not colour-fast, and the colour will change over time when exposed to UV light. Please refer to our Technical data sheets, Care & maintenance, Warranties for more information on our website.

Floor protection

# Aurora European Oak is your environmentally sustainable choice

At Australian Select Timbers we take pride in our  
commitment to sustainability.

Aurora uses up to 90% less Hardwood in the top veneer when  
compared to a traditional solid Hardwood floor. We are proud to  
contribute positive change to the flooring industry by reducing our  
impact on the environment by selecting only certified and forestry  
managed plantation timbers.

# Take care of your floor

## SelectCare<sup>+</sup> Floor Cleaning Solutions

### Hard Floor Cleaner

SelectCare+ Hard Floor Cleaner is a water-based and ecological cleaning product designed to cut through grease and grime on all types of hard floors (excluding oil finished and cork floors) - including timber, laminate, vinyl, hybrid floors and even tiles. Recommended for regular floor cleaning. To be used in conjunction with our SelectCare+ Dust Cleaning Pad and Spray Mop.

No dilution required with this product.

#### Specifications

Density:	+/-1.02
pH value:	Neutral
Viscosity:	Thin liquid
Surface use:	All types of hard floors (excluding oil finished and cork floors).
Available in:	1L and 2.5L

### Hard Floor Rejuvenator

SelectCare+ Rejuvenator is a water-based product used to remove layers of polish on varnished and UV lacquered floors that may have become worn or tired over time. It also can be used as a degreaser to remove stubborn stains and marks from timber floors (excluding bamboo, oil finished, cork, laminate, hybrid and vinyl floors).

This product is a two-step process to be used in conjunction with our SelectCare+ RejuvenatorPlus to restore the floor's protective coating after it has been cleaned with SelectCare+ Rejuvenator.

Recommended for Periodic Maintenance (to be used annually or every 6 months, depending on traffic).

No dilution required with this product.

#### Specifications

Viscosity:	25-30 sec DIN 3
pH value:	10-11
Fragrance:	Fresh scent
Surface use:	All types of timber surfaces (excluding bamboo, oil finished, cork, laminate, hybrid and vinyl floors).
Available in:	1L and 2.5L

### Hard Floor Rejuvenator<sup>Plus</sup>

SelectCare+ RejuvenatorPlus is a universal maintenance product providing a protective layer for all matte finish timber floors (excluding bamboo, oil finished, cork, laminate, hybrid and vinyl floors).

SelectCare+ RejuvenatorPlus is designed to provide a protective coating after deep cleaning your floors with our SelectCare+ Rejuvenator. This two-step process will maintain the original look of the floor without the expense of sanding or buffing.

Recommended for Periodic Maintenance (to be used annually or every 6 months, depending on traffic). Only to be used after use of our SelectCare+ Rejuvenator.

No dilution required with this product.

#### Specifications

Density:	1.05
pH value:	8
Gloss level:	Matte finish
Surface use:	Matte finish timber floors (excluding bamboo, oil finished, cork, laminate, hybrid and vinyl floors).
Available in:	1L and 2.5L
