#Nested boards refer that the packs contain both short and full length boards. Minimum length 600mm.

Colour and grain will vary while some knots are to be expected. Timber flooring is not colour-fast, and the colour will change over time when exposed to UV light. Please refer to our Technical data sheets, Care & maintenance, and Warranties for more information on our website.

We cannot guarantee that the colour you see printed on this brochure accurately portrays the true colour of the floorboard. Swatch colours can be verified by ordering a complimentary offcut sample from our website or visiting a Coastline Collection retail partner to view in-store.

Take care of your Coastline Collection floor with SelectCare⁺

Hard Floor Cleaner

SelectCare+ Hard Floor Cleaner is a water-based and ecological cleaning product designed to cut through grease and grime on all types of hard floors (excluding oil finished and cork floors) - including timber, laminate, vinyl, hybrid floors, and even tiles.

Recommended for regular floor cleaning.

To be used in conjunction with our SelectCare+ Dust Cleaning Pad and Spray Mop.

No dilution required with this product.

Specifications

Density:	+/-1.02
pH value:	Neutral
Viscosity:	Thin liquid
Surface use:	All types of hard floors (excluding oil finished and cork floors).
Available in:	1L and 2.5L

Hard Floor Rejuvenator

SelectCare+ Rejuvenator is a water-based product used to remove layers of polish on varnished and UV lacquered floors that may have become worn or tired over time. It also can be used as a degreaser to remove stubborn stains and marks from timber floors (excluding bamboo, oil finished, cork, laminate, hybrid and vinyl floors).

This product is a two-step process to be used in conjunction with our SelectCare+ RejuvenatorPlus to restore the floor's protective coating after it has been cleaned with SelectCare+ Rejuvenator.

Recommended for Periodic Maintenance (to be used annually or every 6 months, depending on traffic).

No dilution required with this product.

Specifications

Viscosity:	25-30 sec DIN 3
pH value:	10-11
Fragrance:	Fresh scent
Surface use:	All types of timber surfaces (excluding bamboo, oil finished, cork, laminate, hybrid and vinyl floors).
Available in:	1L and 2.5L

Hard Floor RejuvenatorPlus

SelectCare+ RejuvenatorPlus is a universal maintenance product providing a protective layer for all matte finish timber floors (excluding bamboo, oil finished, cork, laminate, hybrid and vinyl floors).

SelectCare+ RejuvenatorPlus is designed to provide a protective coating after deep cleaning your floors with our SelectCare+ Rejuvenator. This two-step process will maintain the original look of the floor without the expense of sanding or buffing.

Recommended for Periodic Maintenance (to be used annually or every 6 months, depending on traffic). Only to be used after use of our SelectCare+ Rejuvenator.

No dilution required with this product.

Specifications

Density:	1.05
pH value:	8
Gloss level:	Matte finish
Surface use:	Matte finish timber floors (excluding bamboo, oil finished, cork, laminate, hybrid and vinyl floors).
Available in:	1L and 2.5L
