GENCORE+

12mm Laminate

The Reflections Laminate GenCore+ 12mm range is our premium high-performance laminate flooring. The Optimal Pure HDF Core and AC4 wear layer ensures long-lasting performance in both residential and commercial settings. This collection features a stylish fourteen colour palette with either a smooth finish or matte embossed surface.

Durable and moisture-resistant, thanks to our 72 hour moisture guard*, this laminate flooring can go through a steam cleaning session problem-free. Steam mops are an innovative way to clean your floors quickly making this flooring perfect for homes with both families and pets.

Our GenCore+ 12mm range also provides protection against stains, fading, scratches and scuff marks. The GenCore+ 12mm range is the ideal laminate flooring for any environment.

*Prior to purchasing any product, Australian Select Timbers recommend consumers view all relevant documentation such as technical data sheets, test certificates, warranty, installation instructions and maintenance guidelines. Please visit our website www.asttimbers.com.au for more information.

Corn Silk

Optimal Core

1. High resistant transparent overlay provides protection against stains, impact and scratches with AC4 surface commercial rating.
2. High Definition decorative paper: A high definition wood grain paper that is reproduced with sophisticated printing techniques and finished with melamine resin.
3. GenCore: Pure optimal HDF core, robust, durable, stable and extremely high moisture-resistant, FSC certificated.
4. Back Balance Layer: Guarantees a perfectly balanced board that will not cup or bow when properly installed and maintained. And more importantly it protects against moisture ingress from underneath.

Board Specifications

- ✓ 2240mm x 195mm x 12mm
- ✓ 4x Sides Micro Bevel
- ✓ Optimal Pure HDF Core
- ✓ ECO Friendly VOC E0
